Oh?

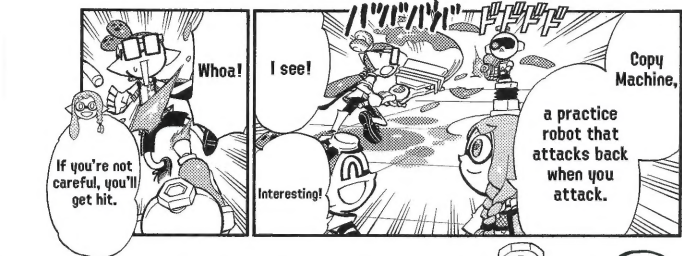

It's easier to practice in between battles.

In Splatville, there's a shooting range in the lobby! So big!

A robot?!

What's this?!

If you're not careful, you'll get hit.

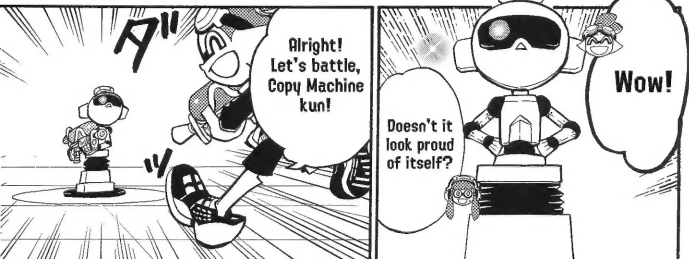

Whoa!

I see!

Copy Machine,

a practice robot that attacks back when you attack.

Interesting!

Alright!
Let's battle,
Copy Machine
kun!

Doesn't it
look proud
of itself?

Wow!
